Notice regarding the Transfer of Marketing Approvals and Sales Rights for Pharmaceuticals from FUJIFILM Pharma to KYOSOMIRAI PHARMA

TOHO HOLDINGS CO., LTD. (Headquarters: Tokyo; Representative Director and Chairman Chief Executive Officer (CEO): Norio Hamada; hereinafter, "TOHO HOLDINGS") is pleased to announce that it has agreed with FUJIFILM Pharma Co., Ltd. (Headquarters: Tokyo; Representative Director and President: Susumu Tanahashi; hereinafter, "FUJIFILM Pharma") that FUJIFILM Pharma will transfer the marketing approvals for 26 ingredients of prescription pharmaceuticals together with the sales rights for 30 ingredients of prescription pharmaceuticals (hereinafter collectively, "Products Subject to Transfer") to KYOSOMIRAI PHARMA CO., LTD. (Headquarters: Tokyo; Representative Director and President: Atsushi Udoh; hereinafter, "KYOSOMIRAI PHARMA"), the wholly-owned subsidiary of TOHO HOLDINGS involved in the pharmaceuticals manufacture and sales business, as described below.

KYOSOMIRAI PHARMA is involved in the development, manufacture and sales business of prescription pharmaceuticals centered on generic drugs as well as the contracted manufacture of prescription pharmaceuticals as a wholly-owned subsidiary of TOHO HOLDINGS which is engaged in businesses such as pharmaceutical wholesaling, pharmacy management, and development and provision of customer support systems under the corporate slogan, "Total commitment to good health". By establishing a business structure of integrated manufacture and sales which accurately responds to customers' demands, KYOSOMIRAI PHARMA is striving to expand the product line-up in order to both stably and effectively provide high-quality, high-value-added generic drugs.

Starting from October 1, 2018, the transfer of marketing approvals and sales rights for Products Subject to Transfer from FUJIFILM Pharma to KYOSOMIRAI PHARMA is planned to be carried out in a phased manner and completed by April 1, 2019.

FUJIFILM Pharma and KYOSOMIRAI PHARMA will, until the smooth completion of the transfer of marketing approvals and sales rights for pharmaceuticals, work together to provide information about, and promote the proper use of, the relevant products.
